### WARNING

Since its introduction into the United States, the sale of Parisian Sage has been phenomenal. This success has led to many imitations similar in name. Look out for them; they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at The Red Cross Pharmacy.

Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sanger's theory of Parisian Sage, that dandruff, dandruff, falling hair, baldness and scalp itch are caused by germs.

Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parisian Sage is a daintily perfumed hair dressing; not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it. 50 cents a large bottle.

## The Daylight Store

Now Is the Time, Not Only to Plan, But to Carry Out Your Plans for Fall Buying

This weather brings to your mind more forcibly the need of warmer, more seasonable goods. It is now so late that you cannot put off buying Fall and Winter Goods any longer. We ask a chance to show you what we think will be for your advantage to see.

### WARM UNDERWEAR

This means the kind that is warm and will wash and wear so as to give you in return your money's worth and more.

If you are to buy Union Suits, by all odds buy Munsing, for they surely have a little more real value than other kinds.

If it is single pieces, Vests, Pants or Drawers, you may do as well with others, but no better. Time that you use shopping around will be time thrown away.

Our cheap Underwear at 25c for ladies, misses and boys is the very best that can be had. We pay more than the market price to have them so.

Munsing and Bennington Underwear are no experiment, they are always the same. They will surely please you.

### WINTER NIGHT ROBES

We have as a special an Outing Flannel Night Robe, full length down to the floor with two extra breadths in the skirt, and to sell at 50c.

We make a special try to get the best Outing Robe that we can to sell for \$1.00.

Ladies' Knit Skirts are warm, comfortable, and much worn. We have a special purchase to sell at only 25c each. These will be shown in our window later. Ask to see them.

Knit Skirts of the best grade, made full and well at 50c.

We want to call attention again to Dr. Denton's Sleeping Garments. They may not appeal to you as to those that are using them. They are a health-saver, as well as a comfort bringer. They are a necessity wherever worn. Price 50c, medium sizes.

### WINTER COATS

If you are to buy a Winter Coat for the young lady or yourself, wouldn't it be good business to see the latest lines before deciding? It's the way we do in buying what we buy to sell you. It's business, and business takes care of honest dollars.

Our Children's Garments came from Sperry & Sperry and Max Ruel & Co. This is enough to say. If our assortment is not up to what it should be, it's our fault, for surely the above are the two strongest misers' houses in this country. Does this mean anything?

As colder weather creeps along, Coats of all kinds begin to go. These we have as we say to fit and dress everyone large or small, and we have thought of the price, too. Tried to buy and make it so that all could be satisfied.

For Coats a little later will sell and be in good demand. He thinking it over. There are warmth and wear in a good Fur Coat.

Warm Bedding, such as Wool Blankets and Comfortables. These we have at low prices. Blankets start at 49c and Comfortables, cotton filled, at \$1.00. In our basement.

H. R. Caulfield, organizer for the Order of Owls, has secured over 100 names for the Barre nest in the past ten days, comprised of some of our best known young professional, business and granite men. Mr. Caulfield attributes most of his success in securing so many desirable names in so short a time to the fact that the ladies are encouraging the movement on account of the Owls setting one or two nights a month as "ladies' night," at which time the members and their wives, sisters and sweethearts gather at the headquarters for a social evening including recitations, singing and refreshments. Mr. Caulfield states that he will have at least 200 charter members by Sunday, October 31st, at which time the institution will take place. The fee for charter members is now \$5. Those who care to get in at that price should send name at once. When charter closes the fee will be \$10.
